

# TSE 2.0-SC

## Toilet seat raiser

- Easy, quick assembly
- Suitable for all common toilets
- Can be raised by 80, 120 or 150 mm
- Anatomically shaped seat with large hygiene openings at front and rear
- Load capacity up to 120 kg
- Can be used as a seat when the lid is closed
- Folding and removable armrests for simple transfer.

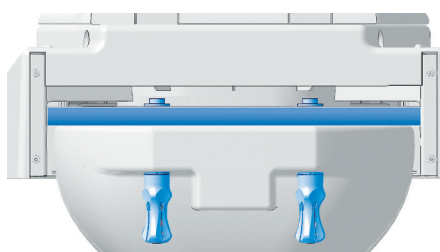

## Optimum hygiene with high level of comfort.

This toilet seat raiser is ideal for permanent and stable attachment to the flush toilet. Thanks to three-way height adjustment and swivelling armrests, it provides optimum and individual support.

## “SolidClip” for fast mounting.

The “SolidClip” fast lock mechanism enables simple mounting of the toilet seat raiser on any common toilet.
